FEDELE Representative & Liaison

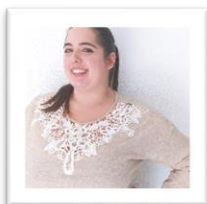

Mar Rodriguez is the representative for Eaquals Associate Member FEDELE, Español en España. She is a Spanish translator and interpreter from Malaga, Andalusia. Her working languages are Spanish, English, French, and German.

“Languages are my passion, so working for FEDELE, whose goal is to spread and make Spanish learning grow, it just made sense for me. I am the most recent addition to our team, but I have learned a lot and I can't wait to keep learning with and from them” (Mar Rodriguez).
